### **Dios Es Amor (Deus Caritas Est) (Spanish Edition) Pope Benedict XVI**

In today's high-tech, fast-paced world, love is often portrayed as being separate from Church teaching. With his first encyclical, Pope Benedict XVI hopes to overturn that perception and describe the essential place of love in the life of the Church. The Holy Father explains the various dimensions of love, highlighting the distinctions between "eros" and "agape," Jesus as the incarnate love of God, and the scriptural law of love. In part two, he links the Church's charitable work with the love of God as Trinity, noting that the Church must express love through acts of justice and charity. This encyclical is an ideal reflection for religious and civic leaders, those preparing for marriage, and those engaged in justice and charitable work.
