How We Survived Prostate Cancer Finally, a much-needed voice for the spouses and partners of prostate cancer survivors--an unflinchingly honest and beautifully written memoir about one couple's struggles and transformation that serves as a guide for others dealing with the disease. Facts: \* Prostate cancer is the most common cancer, other than skin cancers, in American men. \* 90% of the 190,000 men diagnosed annually will be cured. \* 2 million men currently live as survivors. Though many sources exist for men dealing with this dreaded disease, their partners are often left on their own to figure out how to deal with personality changes and sudden "male menopause," how to redefine love a...
