Nuevo Prisma is a renewed structured course of Spanish for general use, following the levels of the Common European Framework of Reference for Languages (A1, A2, B1 etc), based on the classic Prisma course, with more accent on group work and following the Curriculum of the Cervantes Institute. When complete it will consist of six levels (A1-C2). Each level consists of the student book (with or without audio CD), Student Exercises Book with audio CD, and the Teacher Guide with CD. The digital CD-Rom for each level is also available specially for teachers and for class-room projections. Nuevo Prisma has been built in such a way that there is a natural coordination with and progression from the classic Prisma course.
